

Dissemination on Discord.

by: Guilherme, Sophia, Paulo and André

On discord we gathered people that where interest for the theme and shared the experience on the project Robosphere in Hungary from the days 24.05 - 31.05. We talked about erasmus projects in general; the organizartion E29 and the particular experience on the trainig course, things that we learned about eletric circuits and programming softwares.

This dissemination was made day 11.06.2024
