A group of approximately ten young people, mostly teenagers, are posing on a wooden bridge with a dark metal railing. They are in a forest with many thin, bare trees, suggesting a late autumn or winter setting. The group is arranged in a cluster, with some people standing and others crouching or sitting. They are all looking towards the camera. The person on the far left has visible tattoos on their arms and legs. The person on the far right is wearing a dark hoodie and shorts. The person in the center is wearing a purple jacket. The person in the foreground is wearing a denim jacket. The overall mood is casual and friendly.
